Rani Channamma University
Belagavi-591156.

Sub : Submission of Compliance Report of AAA Committee .
Ref. No. : RCU/BGM/IQAC/2017-18/25, Dated : 25.07.2017.

Sir,

With reference to above cited subject, and reference I would like to bring to your kind notice that, as per your direction, Now I am submitting herewith a compliance report of the AAA committee report.

I request you to kindly accept the same and do the needful.

Thanking you,

Yours sincerely,

CHAIRMAN

Department of Geography
Rani Channamma University,
BELAGAVI-591156.

DEPARTMENT OF GEOGRAPHY

COMPLIANCE REPORT

As soon as we receive the letter from Director, IQAC, Rani Channamma University, Belagavi containing the specific observations along with various recommendations for the sustenance and enhancement of the quality in academic and administrative activities of the department of the Geography, the meeting is convened in the chamber of the undersigned and dated 23.09.2016 at 03:30 pm and briefed the agenda & observation, recommendations are read in the DC meeting.

Finally, we have prepared the action plan for the execution of the same for next academic year 2016-17. The following programmed/activities are to be planned for the effective enhancement and sustenance of quality in teaching, learning and administrative activities of the department.

SL. No.	Recommendations made by the AAA Committee	Action Plan of the Department
1	Major Research Projects from funding agencies like UGC, DST, Ministry of Agriculture and Environment, Mines and Geology, and government of Karnataka etc are to be under taken by the faculty members. Faculty members need to explore the other possible sources of funding for interdisciplinary research.	<ul style="list-style-type: none">• Discussed thoroughly and advised the staff about the circular or notifications of MRPs from central government funding agencies such as UGC, ICSSR, ICAR, and the other state government agencies like DST, VGST and others.• Already two-faculty member have submitted their proposal for the assistance to UGC and VGST financial assistance.• The other faculty members have also shown positive interest in preparing and submission of the proposal for the assistance.
2	The department being one of the oldest in the university, it has to establish alumni association on priority.	<ul style="list-style-type: none">• We have already plan to establish alumni of our department. The work is in progress.
3	The Parent-Teacher meeting is to be ensured at least once a year.	<ul style="list-style-type: none">• We have also plan to PTA Association meeting at the end of the semester.• We have planned to organise a workshop for parents in the Department.
4	Faculty members have to efforts for more number of standard research publications.	<ul style="list-style-type: none">• Two staff members have already published research articles.• It is strictly advised the teachers who have not yet published articles in reputed journals are also advised to publish articles at least three in a year
5	The course Regional Geography of Karnataka may be renamed as Karnataka Geography.	<ul style="list-style-type: none">• The existing title of the OEC correct paper is appropriate and it is finalized in the BOS meeting. There is no need of change.

6	The Department can introduce short-term add-on courses to strengthen interdisciplinary learning like, Remote Sensing, Disaster Management, Cartography, etc.	<ul style="list-style-type: none"> Request for infrastructure and teaching aids are already submitted to University. We have applied and submitted proposal for the financial assistance for establishing Geo-Informatics Laboratory to VGST. If authority extends the required facilities for the same, the department will come forward to introduce add-on diploma courses for the benefit of the students and department.
7	The department should install a Wind vane and Wind mill	<ul style="list-style-type: none"> Weather instruments like Wind vane and Windmill, Barometer, Thermometer etc, which are the part of weather stations, for this we have a plan to go for MOU with IMD, Pune, and to establish Metrological station at RCU which will help for establishing add -on courses.
8	Outreach activities are to be initiated in collaboration with certain governmental agencies.	<ul style="list-style-type: none"> The department has already taken active role in conducting outreach programmes like training for tourist guides with collaboration with Department of Tourism, Govt. of Karnataka & its workshop is successfully complited.
9	The department may explore possibility of providing consultancy services.	<ul style="list-style-type: none"> It is discuss deeply and plan to go for consultancy services for public.
10	Personality development programmes for students is advised	<ul style="list-style-type: none"> Personality development programmes are undertaken with the collaboration of other schools of the university.
11	Explore the opportunities for collaboration with departments of Sociology, Physics, etc.	<ul style="list-style-type: none"> Interdisciplinary approach will be followed for teaching and personality development of the students.
12	Efforts may be made for collaboration with ISRO.	<ul style="list-style-type: none"> Efforts are already made for collaboration with ISRO and other organizations.

Sub: Compliance Report against the Recommendations of AAA committee.

Dear Sir,

With reference to above, please find the enclosed Compliance Report against the Recommendations of AAA committee to our Department.

Thanking you

Soft is also sent by email.

Sincerely

CHAIRMAN
DEPARTMENT OF CHEMISTRY
RANI CHANNAMMA UNIVERSITY
VIDYASANGAMA
BELAGAVI-591156

Dept of CHEMISTRY

Compliance Report against the Recommendations of AAA committee.

1. Can take lead, with Physics Department, in establishing a 'Central Research Laboratory'.

Yes, the Dept. of Chemistry is actively collaborating with Dept. of Physics to establish the common Research facilities, which will be formally named as '**Central Research Laboratory**'. The following common facilities are available:

1. Fourier transform infra-red (FTIR) spectrometer.
2. UV-Visible Spectrophotometer.
3. Gas sensor.
4. Photo-catalytic (UV and Visible) reactor.
5. Spray pyrolysis Unit.
6. High-temperature Furnace.
7. Gouy's balance for Magnetic measurement.
8. X-ray source (being installed).
9. Gamma-ray detectors (radiation detectors).
10. I-V characteristic measurement systems.
11. Electron Spin Resonance Spectrometer (being set-up)

Furthermore, the Dept of Chemistry is likely to be funded under DST-FIST-Level-1 programme. The facilities such as Table top X-ray diffraction (XRD), Scanning Electron Microscope (SEM) will be part of the above central facilities.

2. Systematic efforts be made to sign MoUs with Centres of Advanced Studies in India and Abroad. Collaborations with Industries will help, both, research and project works of students.

The faculty members have deputed Ph.D. students to carry out part of their work in the following Institutes.

- Bhabha Atomic Research Centre, Mumbai.

- Basic Science Research Centre, KLE University, Belagavi.
- Regional Medical Research Centre (ICMR Unit), Belagavi.

Dr CC Vidyasagar has presented research proposal to DST in collaboration with Southern Batteries Limited through NCBS, bangalore

Dr. J. Manjanna has visited Iwate University, Morioka (Japan) under International Exchange Programme for Research Collaboration. In continuation of this, a joint Indo-Japan Research Project is submitted to DST-JSPS.

In view of the above active interactions with National and International Institutes, the formal signing of MoUs is under consideration.

3. Quality of PG Courses offered in colleges be monitored and evaluated. Colleges be guided and supported – kind of mentoring.

The Dept. of Chemistry organizes annual PG Teachers and Coordinators Meeting by inviting faculty members and Coordinators from different PG Departments of Chemistry in Affiliated Colleges viz., BK College/Belagavi, GSS College/Belagavi, Maratha Mandal College/Belagavi, JSS College/Gokak, BVV College/Bagalkote and KCP Sci College/Bijapur.

During such meetings, curricular and co-curricular activities including M.Sc. projects are discussed. The suggestions and comments from these faculty members are addressed through our BOS and BOE committees. Also, they are offered to make use of the Research facilities available in Dept of Chemistry, RCU.

Recently, a joint research paper (*Hydrometallurgy*) was published with BK College/Belagavi.

4. Utilization of budget allotted needs attention.

Unlike during 2015-16, the purchase process through 'Rate contract' and E-tender process is initiated well in advance during 2016-17. All measure are taken for complete and effective use of Budget allotment by convincing the RCU authorities.

5. Culture of Consultancy to be strengthened with a well-defined policy.

In this connection, RCU Research Policy document is published. We follow these guidelines to strengthen the Consultancy with local industries viz., Pharmaceuticals, Polymers and INDALCO (Alumina Industry).

6. Proposed PG Diploma courses are offered on priority basis -as Add on Course.

The syllabus for Add-on PG Diploma course in 'Analytical Techniques' as well as PG Diploma in 'Nanoscience & Technology' is prepared to cater to the need of industrial requirements and upcoming technological applications of materials.

The same will be submitted to RCU authorities for academic approval (Academic Council Meeting followed by Syndicate and Governor's approval) and budget allocation for the same. The modalities (including mandatory Industrial training) are being worked out in this regard.

7. Independent infrastructure to be established with focus on good teaching and research laboratory facilities

All faculty members have been trying to mobilize the external funding through research projects to establish independent research Lab facilities.

For effective teaching, the ICT facilities are used wherever necessary.

In order to establish the independent Chemistry Block, the Department has submitted the required design and layout for common and independent classrooms, Labs, Seminar halls, Store room, etc to the RCU authorities for incorporation in the upcoming Campus infrastructure (after clearing the Land issue with Govt. of Karnataka/Govt. of India).

5

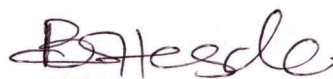

Department of Physics AAA compliance report

Observations:

1. Teachers are doing their best to build the Department inspite of the space and faculty strength constraints.
2. Important recommendations of previous AAA Committee have been complied.
3. The Course is also offered in four PG Centres. There is good demand for the Course.
4. There are 7 Ph.D. students. Number of publications (16) reasonably good.
5. Two Research Projects – one from VGST, Government of Karnataka and one from DST are on-going. (Total amount : 56/- lakhs)
6. Efforts made by the Department to procure some major equipments from Institutes like IISC, CNSMR as 'Donations' is commendable.

Sl. No.	Recommendations	Compliance
1	ICT facilities and Teaching Laboratories need strengthening.	<ol style="list-style-type: none">1. Steps have been taken to install LCD projector in class room.2. Laboratory is equipped with instruments worth Rs: 25 lakhs and the process of procuring another batch of equipment are underway. In each semester there are on an average more than eight experiments are being carried out.
2	Need for enhanced faculty strength, at senior level, with specific Specializations / Expertise keeping in view the future of the research activities and teaching programs in the department.	Total sanctioned post of teaching faculty in the Dept. of Physics is six. Currently four have been recruited. Requested Hon'ble Vice Chancellor to initiate the recruitment of two more faculties to the department.
3	Opportunities may be explored for collaboration with departments of Chemistry, Mathematics and Computer Science.	Collaborative works have been started with the Department of Chemistry and Computer Science. It will be explored with the Department of Mathematics.
4	PG Courses offered in colleges be monitored and evaluated.	Regular interactions with the faculty members from PG centers is being carried out regarding the coverage of syllabus and the depth to which subjects is to be thought, also about the design of the experiments. Monitoring of the course and infrastructure is done by Local Inspection Committee and not by the department as there is no provision

		in the regulation.
5	A re-look be taken at 'framing of teaching time -table' and also the order in which various topics/courses are taught.	Time table is reframed and sufficient break is given between morning and afternoon sessions. Also, the structure of the M.Sc., course is changed keeping in view the current needs and entire syllabus is overhauled.
6	Strong collaborations / linkages to be established for research activities with premier institutions.	<p>Research collaboration with premier research institutions is already underway and is also explored further.</p> <p>A joint research project is being carried out in collaboration with Dept.of. Biotechnology, IIT Guwahati, Assam.</p> <p>Some of the institutions with which the department is collaborating: Indian Institute of Science Bangalore. Zilkha Institute of Neuroscience, University of Southern California, Los Angeles, California, USA. .KLE Tech. University Hubli.</p>
7	Research activities to be strengthened- thrust areas to be identified.	The required laboratory equipments have been procured in last three years and the M.Sc., laboratory is well equipped. From the current financial year about 40% of the department budget is being earmarked for procuring equipments for research. Also, department has two ongoing research projects and infrastructure is being developed from the fund available in these projects. Nano physics is being identified as thrust area.
8	Independent infrastructure to be established with focus on good teaching and research laboratory facilities.	University is working towards this goal.

Respected Sir,

Sub: Submitting the compliance report of AAA committee of the
Department.

With respect to the subject mentioned above, I am herewith submitting
the compliance report of AAA committee of P G Department of Business
Administration.

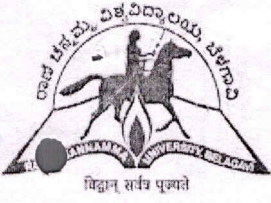

This is for your kind information and needful action.

Dr. S C Patil

Chairman
G Department of Business Administration
Rani Channamma University.
Belgavi-56.

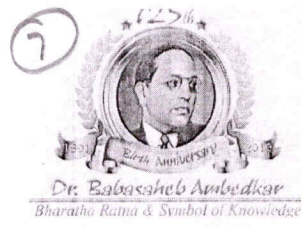

Sl. No	SUGGESTIONS	COMPLIANCE
1	Alumni Association	An alumni association has been established in the Dept on 26 th June 2015, Mr. Devaraju is designated as coordinator of the association. Along with associate professors and student representatives. The Alumni meet was hosted by the Department on 10 th June 2017 at the campus. Thirty seven, Alumina participated in the event.
2	Developing Entrepreneurial Culture.	Advance Business Management course has been introduced to develop entrepreneurial culture among students. As per new syllabus 2 credit core paper has been introduced in 2 nd semester.
3	Placement Cell	Mr. Mahantesh Kuri is looking the work of placement cell, during last 2 years more than 10 companies have visited for placement and over 50 students placed. The department encourages pool campus drives organized by other institutes. The MBA syllabus is revised from 2015-16 in which we added a subject PRE PLACEMENT as part of skill development track along with soft skills and technical skills for III Semester students. For the academic year 2016-17 the placement activates were coordinated by Dr. Devaraju, Assistant Professor of the Department. During this period around 50 percent of the students of the Department were placed in campus drives and also organized by affiliated MBA institutions.
4	Strengthening ICT teaching-learning process	We are already making use of computer lab. Teaching learning process is effectively done by using ICT.
5	Organizing 'Management Fairs' To Build BRAND	"Anushodhana-15' Management fest was organized by the Department on 17 th and 18 th May 2014. The department also encouraging students in participating Management fests organized other institutes.
6	Establishing State-of-the art computer laboratory	Presently the department sharing the lab facilities of Department of Computer Science.
7	More Emphasis on case method of teaching	Case study method is effectively adopted in teaching learning process and it is also included in the examination process.

Belagavi-591156

AAA Committee Observations and Recommendations	Compliance
Department needs to organize programmes to cater to the local needs and requirement of business and industry.	In future this suggestion will be kept in mind.
More Classrooms to be provided to introduce the different specialization	Due to lack of infrastructure, we are unable to conduct the specialization classes, However it is intimated to the university authorities. As and when the classrooms are allotted we will begin the specialization.
M. Com syllabus must be revised on priority identifying emerging areas of specialization and which is contextually relevant.	M. Com – 1 st year syllabus has been revised for the academic year 2016-17; subsequently 2 nd year syllabus will be revised for the academic year 2017-18.
The Department needs to improve its visibility at the state and national level by organizing more and more seminars/conferences.	Steps will be taken to organize more and more seminars / conferences
Need for establishing strong placement cell.	Informally students are placed now. Formal placement cell needs to be established by the University.
Special lecture series by inviting executives, entrepreneurs / bureaucrats, social entrepreneurs / successful businessmen to be arranged.	This practice exists in the department. It will be further strengthened.
Collaboration with banks / chamber of commerce/ Indian industries /ICA/ PCWAI framing syllabus and related academic activities is to be strengthened by signing MOUs.	All the stakeholders will be involved in framing syllabus in the future.
Arrangement is to be made for providing NET/SLET exams / Bank exam coaching.	Already this suggestion is implemented.
More emphasis may be laid to strengthen e-learning and teaching.	1. Classes are conducted using Power point presentations. 2. Students have the facility to use the computer lab. 3. Through software applications and internet facility on mobile, study material is been shared.
Proposal for SAP may be sent to the UGC for funding	Efforts will be made to apply for SAP
Add-on courses on retail management, e-commerce, insurance, international business, accounting software packages etc may be started.	Possibilities will be explored to start the add on courses in the future.

Dear Sir,

Sub: Submission of Compliance Report

With reference to above mentioned subject and reference, here by I am submitting compliance report of AAA Committee Recommendations.

1. Syllabus is to be revised
According to AAA committee recommendation we will revise the syllabus.
2. Department needs to organize programmes to cater to the local needs and requirement of business and industry.
Planning to have memorandum with Aequs SEZ and other industry in Belagavi.
3. More number of specializations are to be introduced considering the employability of the students
We submitted detailed room requirement request to University after getting confirmation we will introduce few more advanced specialization.
4. Interdisciplinary research with commerce & Management is to be strengthened.
Presently we are organizing one national conference along with Commerce & Management. In future we are planning to do interdisciplinary with Commerce and Management.
5. Design innovative and region specific courses.
Right now we have Karnataka economy and according to AAA Committee recommendation we are planning to design few more courses.
6. The Department may apply for UGC SAP.
Preparing to submit proposal to get UGC SAP.
7. Collaboration with State Government units like Department of Agriculture, Rural Development, DIC, Population Dept. etc. is to be initiated.
We are planning to have collaboration with several govt. departments to pursue research.

BELAGAVI - 591 156. KARNATAKA

Department of Kannada**Observations:**

The department of Kannada is perhaps one of the best departments in the state mainly due to its highly motivated faculty and students as well.

The faculty strength right now is eight

1. Committed and dedicated teaching faculty.
2. Commendable research output by the faculty both in terms of quantity and quality.
3. Excellent team work focused on teaching and research.
4. 112 students have enrolled for M.A programme.
5. Actively engaged in extension activities.
6. 97 students are pursuing their Ph.D.
7. Lack of multimedia concept in teaching learning process.

Sl. No.	Recommendations	Compliance
1	Initiate the process of establishing a museum in the department which reflects the local history and culture	Work is under process
2	Prepare an elective course on Kannada literature and offer it to the students from other faculties/ departments	It is already in existence
3	Adequate space/ infrastructure is to be provided	Requisitions here been sent
4	More number of books is to be added to the library	Has been fulfilled
5	Concept of "School" to be put into "Practice" by offering "Certificate" or "Diploma Courses". Add on Certificate/ Diploma course in translation be offered jointly by Departments in "School of Languages" and School of Classical Kannada Studies".	Initiation has been made shortly it will be implemented
6	Introduce multimedia teaching aids in the teaching-learning process	Has been fulfilled

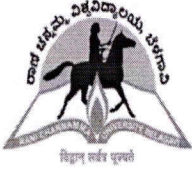

Recommendations:

1. Initiate the process of establishing a museum in the department which reflects the local history and culture
2. Prepare an elective course on Kannada literature and offer it to the students from other faculties/ departments
3. Adequate space/ infrastructure is to be provided
4. More number of books is to be added to the library.
5. Concept of "School" to be put into "Practice" by offering "Certificate" or "Diploma Courses". Add on Certificate/ Diploma course in translation be offered jointly by Departments in "School of Languages" and School of Classical Kannada Studies".
6. Introduce multimedia teaching aids in the teaching-learning process.

ಅನುಪಾಲನಾ/ಅನುಸರಣೆಯ ವರದಿ :

1. ಶಾಸ್ತ್ರೀಯ ಕನ್ನಡ ಭಾಷಾ ಅಧ್ಯಯನ ಸಂಸ್ಥೆಯ ಅಡಿಯಲ್ಲಿ ಇತಿಹಾಸ ಮತ್ತು ಸಂಸ್ಕೃತಿಯನ್ನು ಬಿಂಬಿಸುವ ವಸ್ತು ಸಂಗ್ರಾಲಯವನ್ನು ನಿರ್ಮಿಸುವ ಸಲಹೆಯನ್ನು ನೀಡಿದ್ದು ಸರಿಯೇ. ಆದರೆ ಭೌತಿಕ ಆವರಣದ ಕೊರತೆಯಿರುವುದರಿಂದ ಈ ಅವಶ್ಯಕತೆಯನ್ನು ಪೂರೈಸಲು ಸಾಧ್ಯವಾಗಿಲ್ಲ. ಮುಂದಿನ ದಿನಗಳಲ್ಲಿ ಈ ಅವಶ್ಯಕತೆಯನ್ನು ಪೂರೈಸುತ್ತೇವೆ.
2. 'ವಿದ್ಯಾಸಂಗಮ' ಎಂಬ ಸಂಶೋಧನಾ ಪತ್ರಿಕೆಯನ್ನು ಪ್ರಕಟಿಸುವ ಎಲ್ಲ ಸಿದ್ಧತೆಯನ್ನು ಪ್ರಸಾರಾಂಗದೊಂದಿಗೆ ಮಾಡಿಕೊಂಡಿದೆ.
3. ವಿಭಾಗಕ್ಕೆ ಸೂಕ್ತವಾದ ಸ್ಥಳ ಮತ್ತು ಇನ್ನಿತರ ಸೌಲಭ್ಯಗಳನ್ನು ಒದಗಿಸಿಕೊಳ್ಳಲು ನಿರಂತರ ಪ್ರಯತ್ನದಲ್ಲಿದ್ದೇವೆ.
4. ವಿಶ್ವವಿದ್ಯಾಲಯದ ಗ್ರಂಥಾಲಯಕ್ಕೆ ವಿಭಾಗದ ಮೂಲಕ ಹೆಚ್ಚಿನ ಪುಸ್ತಕಗಳನ್ನು ಪೂರೈಸಲಾಗಿದೆ. ವಿಭಾಗದ ಗ್ರಂಥಾಲಯವನ್ನು ವಿದ್ಯಾರ್ಥಿಗಳಿಗಾಗಿ ಸಿದ್ಧಪಡಿಸಲಾಗಿದೆ.
5. ನಿರ್ಣಯದ ಪರಿಕಲ್ಪನೆಯನ್ನು ಕಾರ್ಯರೂಪಕ್ಕೆ ತರಲಾಗಿದೆ.
6. ಕಲಿಕಾ ಪದ್ಧತಿಯಲ್ಲಿ ಮಲ್ಟಿ ಮೀಡಿಯಾ ಸಾಮಗ್ರಿಗಳನ್ನು ಪ್ರಯೋಗಿಸಿ ತರಗತಿಗಳನ್ನು ಮುಂದಿನ ದಿನಮಾನಗಳಲ್ಲಿ ಜರುಗಿಸಲಾಗುವುದು.

Compliance Report

On

2nd AAA Committee's (2014-15 & 2015-16) Observations and Recommendations

Department of Criminology and Criminal Justice, RCU, Belagavi went through the observations and recommendations made by the 2nd AAA committee visited. The same was discussed in the Department Council Meeting held on 22 Nov 2016 in the chamber of the Chairman and Director, School of Criminology and Criminal Justice, RCU Belagavi and finalized the compliance report.

The compliance report of 2nd AAA Committee is as under:

Sl No	The Committee Recommendations	Compliance on the Recommendation
01	The School of Criminology and Criminal Justice may be considered for renaming as "School of Criminological Sciences"	Department Council Committee resolved to continue with the earlier name only i.e., " School of Criminology and Criminal Justice ". As it is a popular name, known and internationally recognized.
02	Establishment of Museum and lab for the Department	Although lack of space, it is in process to establish the Museum and lab for the Department in the room no 19. (Lab cum Classroom) at II Floor.
03	The faculty members are to be encouraged to undertake research projects from UGC, ICSSR and other funding agencies	Faculty members have always been encouraged to write research proposal to UGC and ICSSR. Members have already forwarded research proposals for its acceptance.
04	There should be one course on Karnataka Society in terms of Crime, Prevention, Rehabilitation, Criminal Justice etc.	Our syllabi is enriched and covers the studies on all sort of regional crimes and their further process.
05	The Department Can explore the possibility of holding outreach activities providing consultancy services	The Department has already involved in providing consultancy in the form of legal awareness extension activities for the nearby villages in collaboration of District Legal Service Authorities. During the course of time giving our consultancy services to the victims of crime.
06	The Department can explore the possibility of inviting professional Organization/departments for campus placement	We are seriously planning to companies, industries and security agencies for the campus placement in the security management.
07	Collaborative activities may be organized with department of social work and sociology.	We are planning to organize seminar/conference/workshops etc. by involving their active participation in teaching and learning process.

COMPLIANCE REPORT

S.No	Recommendations	Action Taken
01	The department must endeavour to procure research grants for the faculty and scholarship for the students from the government of Maharashtra as well as from various organisations/Institutions of Maharashtra which are interested in promoting Marathi language outside the state.	In the month of January 2017 we will submit research proposals for grants and scholarships for students from Maharashtra as well as other organisations / institutions of Maharashtra which are interested in promoting Marathi language outside the state.
02	The department must make an attempt to achieve a unique identity of its own. Therefore, it may choose Marathi literature of Karnataka as its major thrust area of research.	The department of Marathi has resolved to write 'The history of Marathi literature in Karnataka '. Accordingly the meeting will be called for this purpose very soon.
03	Concept of "School" to be put into "Practice" by offering "Certificate" or "Diploma Courses". Add on Certificate / Diploma course in translation be offered jointly by Departments in "School of Languages" and School of Classical Kannada Studies".	Due to the scarcity of class-rooms, starting new courses and diplomas is not possible now. But the syllabus and other paper work will be done.
04	The faculty of the department may undertake works on translation from Marathi to Kannada, bridging between the two linguistic and cultural groups.	The faculties are very much interested in translation of Kannada literature into Marathi.
05	Introduce ICT tools in the teaching-learning process.	Introducing ICT tools in the teaching-learning process is in progress.

Encls: Compliance report

COMPLIANCE REPORT OF RECOMMENDATIONS MADE BY THE AAA COMMITTEE -2016

SL.NO	RECOMMENDATIONS	COMPLIANCE
01	Every faculty needs to emphasize on research projects	Faculty members have submitted the research proposal to Karnataka State Higher Education Council, Bangalore, Kanaja, Govt. Of Karnataka, UGC New Delhi, DST New Delhi and Rani Channamma University, Belagavi for financial assistance.
02	Exclusive class rooms need to be provided	Due to scarce physical resources in the campus, class-rooms are shared with other departments.
03	Vacant faculty positions are to be filled up	The University is under process of recruiting the faculty positions in the various departments as per the UGC Guidelines.
04	National / International conferences / workshops be organized	The department is preparing for to conduct the National Conference / workshop on "Recent Trends in Computer Science" during this academic year 2016-2017.
05	Efforts to be made to increase the enrollment of students to PG programmes	The department has planned to conduct the special lecture in affiliated colleges to motivate the students to opt for PG programmes in computer Science to enhance the intake.
06	Exclusive research lab with adequate computing and internet facility to set up for research scholars	Due to scarce physical resources the existing two Computer laboratories are shared among PG students and research scholars.
07	Organize programmes in collaborations with other departments like Mathematics , Physics, Economics, etc.	The modalities of joint interdisciplinary programmes are to be worked out at School Level. Discussion has been already carried out with the Dean of the concerned schools

Compliance Report

The department has been very active in discharging the duties of teaching and research by its faculty members. It has a good network of people in other universities and reputed institutions in fulfilling its commitment towards research by its collaborative efforts.

The department is keen in establishing MOU with other institutions through its long standing association with them. The following institutions have expressed their willingness to have an MOU with our department.

1. Baskaracharya Prathisthana, Pune an Internationally renowned research center in Mathematical Sciences.
2. Institute of Management Education and Research (IMER) Belagavi.
3. Belagavi Science Institute.

The department is active in having collaboration with the other departments within the School and outside of it to encourage interdisciplinary research. We are organizing a National conference with the Computer Science department. With Physics we have plans to organize special that interest both the disciplines.

We have ambitious project of having design and start a masters in Quantitative Finance. Though we are ahead of its time we are trying our best to see that this initiative picks up and helps the students aspiring for an exciting career in this specialized area of finance. The department also has the plans to initiative career oriented certification program in areas such as E-Commerce and Information Science related themes.

We are also planning to have one workshop on professional writing of Mathematical Themes to encourage and help both teachers and research scholars to present and understand the technical aspects of specialized fields of Mathematics. We believe in effective communication of Mathematical ideas to the tribes within and outside the realm of Mathematics.

The department intends to enhance its outreach program one which is already in practice that is MTTS program and now would like to take up the task of training young students to take part in Math Olympiads both at the National and International levels. It also regularly conducts NET/SLET training program to the aspirants seeking jobs or pursuing research in our universities /colleges.

During May/June 2017 the department is organizing the Ramanujan Mathematical Society Annual conference which is indeed a pride to have gotten the opportunity of organizing it. Most of the faculty members are busy and regularly attending the conference to deliver talks or present the papers on invitation.

As per the infrastructural requirement concerned including ICT enabled gadgets, Internet facility and the Lab is on shared basis with the department of Computer Science. Faculty members are E-Savvy. each faculty member has applied minor research proposal for grants with the university and the efforts are on to submit UGC-SAP grants to the department. The department is also submitted a proposal requesting NBHM grants for the department library.

Ref : 1. Email from the Office of the Director, IQAC.

2. Proceedings of the Meeting of the Departmental Council held on 26th October 2016.

Sl. No.	Recommendations of AAA Committee	Compliance
1.	Proposal for UGC-SAP programme is to be prepared on priority since the faculty is adequate to undertake UGC-SAP-DRS program.	As per the eligibility criteria laid down by UGC for SAP programme, the Department submitting the proposal needs to have at least on Professor in the Department. Department of Social Work does not have any Professor as of now. Hence, the Department has decided to apply for UGC-SAP programme as soon as any Professor is appointed to the Department.
2.	The Department can explore the possibility of inviting professional organizations for campus placement and also strengthen the placement profile.	The Department has been helping students in preparing for them to search, apply and do well in the interviews by organizing Invited Talks. Every faculty member has also been helping students find suitable jobs. Sri. Santosh Patil, Assistant Professor, has been requested to be the Placement Officer for the Department in order to consolidate the efforts in this direction and to try to organize Campus Placements on periodic basis.

3.	Infrastructure needs to be strengthened.	We shall bring the recommendation to the notice of University authorities and request them to take necessary action in this direction.
4.	The add-on short term programmes are to be introduced depending on the need, requirements and interest of students.	Efforts will be made to identify the needs of the students and introduce at least one Certificate programme per year with the approval of the University.
5.	Students are to be encouraged to publish their reports on the field work and also projects.	Faculty have decided to guide the students to learn about scientific writing and to help them to publish quality field work reports and projects in professional journals or as monographs.
6.	Rural development through community participation and adoption of village program to be strengthened.	The Department has already adopted three villages in Bombarga Panchayath and social work interventions have been designed for integrated development of the poor people in these villages.

EXAMINATION SECTION

COMPLIANCE REPORT OF EXAMINATION SECTION AS OBSERVED BY THE AAA COMMITTEE

Sl No	AAA OBSERVATIONS	ACTION TAKEN
1.	Permanent staff in some sections is necessary	There is initiation to appoint more permanent staff in the section.
2.	Initiate printing of students photograph on the marks card as a safety measure.	As of now we are printing the logo on the marks card and student photographs are printed on the Convocation Certificate. Provisions are being made to print the photographs of students on the marks card in the near future.
3.	Quality of assessment/evaluation in the conventional examinations, internal assessment, PG student project, be enhanced. The curriculum and standard of question papers be on par with top universities in the country.	The curriculum for UG and PG courses for the year 2016-17 has been revised and upgraded. For the quality assessment/evaluation in the conventional examinations, efficient examiners are being appointed for the evaluation process. Board has been constituted for the scrutiny of Internal Assessment marks submitted by the colleges for B.ed course and there is initiation to constitute the same for other courses also. The Question paper pattern have been revised and upgraded.

NSS Cell

Observations

1. Enrollment of 15,000 students is commendable.
2. Conduct of both regular and annual camping activities is satisfactory.
3. NSS activities are being organized effectively.

Recommendations:

1. To have a full-time co-ordinator for the Cell:- The Programme co-ordinator is acting on full-time basis as on additional charge.
2. Since government allocation for both regular and special camping purposes is limited, starting of self-financial units needs to be encouraged and conduct activities meaningfully :- A mandatory circular has been sent to all colleges for commencement of SFUs and RCU cell has also planned to provide necessary materials to all volunteers and units.
3. More volunteers' strength to be got sanctioned by the concerned authority, commensurate with the students' enrollment in the University:- This year an additional strength has been sanctioned by GOK with 1750 volunteers. A fresh proposal would be submitted for strength enhancement.
4. Organize awareness camps about health, hygiene, water conservation, air pollution, smoking, alcohol, etc. involving the local people of the surrounding areas. :- This area would be taken care during annual special camps. All the Panchayat and Taluk members are invited to all the camps. Their participation is mentioned in the invitation cards.
5. Impact or influence of the organized camps may be reviewed. :- A feed back is collected at the end of the camps and documents are kept by all NSS units in the colleges.
6. Organize waste management programmes in the campus:- It is undertaken in collaboration with local authorities and corporations.
7. To arrange for university level annual camps in the university campus, during which plantation of saplings, trench making may be undertaken. These activities have significance in maintaining ideal ecological base in the campus. This activity may be done in collaboration with various departments and institutions:- This year our regional directorate has sanctioned NIC to RCU. The plantation would be undertaken in the affiliated colleges.

8. Activities conducted both under 'regular' and 'annual camp' need to be stepped up to commensurate with volunteers' strength in colleges and PG Units.
9. NSS volunteers need to be exposed yet in a better way, to various state, national and international programmes organized in different places of India.
:- We are searching the various opportunities to depute the Volunteers to enhance their experience. NSS volunteers have participated in National level seminar too.
10. Since NSS is the extension wing of a college / university, adequate care and necessary action has to be taken to ensure that each college has an NSS unit of 50 to 100 volunteers. :- As per the Government norms, we are insisting to start Self Finance Units in all the affiliated colleges. Attempts shall be made to support such units from university side too.
11. The environmental/ecological issues need to be focused the most during NSS programs in villages and slums in cities. :- Recently environmental / Green audit has been conducted at university to identify the value of it. The same practices are to be spread at all the colleges. The co-ordinator's visit shall ensure the happening of such practices at all the units. The various university bodies such as CDC, IQAC, SWO, SCST CELL, ensure the best functioning of NSS.

COMPLIANCE REPORT

Suggestions of the AAA Committee & action taken report

Sl.No	Suggesions	Action Taken
01	The WEC must ensure that, an ICC for prevention of sexual harassment at workplace is established in all the affiliated colleges/institutions of RCU. After sending a notification in this regard, the WEC must seek compliance report a month later	Steps have been taken for establishing ICC in all affiliated colleges of RCU and compliance report will be sought at the earliest.
02	The WEC must conduct gender sensitization programmes for all the students regularly. The students must also be oriented about ICC and its functions at the beginning of the academic year.	<p>The Cell has organized special lecture on 'Women Empowerment' by Ms. Laxmi Shankar: Vice Chair, Karnataka ALL Ladies League, a global organization for women across Borders on 21/9/2016.</p> <p>The Orientation Programme of ICC for all students has been conducted on 10-11-2016.</p> <p>As a mark of 125th Birth Anniversary Celebrations of Dr. Babasaheb Ambedkar; the cell has conducted elocution competition of the students on the topic 'Emancipation of Women: Dr. B.R. Ambedkar's perspective' in four languages- English, Hindi, Kannada and Marathi on 03-11-2016 to sensitize the students about constitutional rights for Indian women</p>
03	Washroom facilities for ladies with sanitary napkin vending machines with built in facility to destroy the same be made available.	Correspondence with Women and Child Care Department is underway regarding provision of sanitary napkin vending machine facility in ladies' wash rooms.

04	Self Employment programmes for female students and other female community may be designed	Self employment awareness programme for the women of Bambarga village; (which is the adopted village of RCU), by Syndicate Bank self employment training centre. Trainer : Rajeswari Devalatkar on 23-08-2016
05	Research programmes on Women Empowerment may be initiated.	The Cell is bringing out a research book on women related issues.
06	In view of increase in girl students' strength more facilities need to be created	The feedback of the girl students' has been collected, analyzed and their needs have been compiled and brought to the notice of the higher authorities for fulfillment.

Date: 01/10/2016

The AAA committee members were gone through the presentation of PG Centre Vijayapur and observed the development phases of PG Centre. On the basis of presentation the following recommendations were made. In regard to the recommendations the faculty of PG Centre were interacted and the compliance is as follows.

Sl. No.	Recommendations	Compliance
01	Faculty members are to be motivated for undertaking research projects from UGC/ICSSR.	All the faculty members of various departments at this PG Centre have assured to undertake the major and minor research projects from UGC/ICSSR. Already Dr. G. B. Sonar Completed major research project and one VGST, 6 UGC minor and One ICSSR projects were applied by the faculty members
02	Infrastructural facility like adequate space for faculty members is to be strengthened.	The land conversion i.e. change of name from KUD to RCU is under process. The request is forwarded to the Registrar RCU, Belagavi.
03	Three classrooms are to be constructed to meet the	The request is forwarded to the Registrar RCU, Belagavi.

	requirements.	
04	Wi-Fi facility is to be strengthened.	Wi-fi facility is available. It needs to be strengthened in the days to come
05	Library facilities need to be strengthened.	Library is with good number of volumes, titles, books and journals and magazine's. The request for independent library building is forwarded to the Registrar RCU, Belagavi.
06	UGC National seminar or conference is to be organized every year.	The departments are planning to organize Seminars. Previously History, Kannada, Commerce and English departments were organized mega events.
07	Campus compound wall is to be constructed and this PG Centre is to be made a Green campus by planting trees and developing the garden.	The request to compound wall is forwarded to the Registrar RCU, Belagavi. The campus is made green by planting more than 600 trees.
